

HEATING & AIR CONDITIONING

# A Legacy of Comfort

# American Quality

---

**Coleman® heating and cooling systems are **designed, engineered and assembled in the United States**, where we closely monitor and improve processes that directly affect quality. It's this promise of excellence that allows us to offer outstanding warranties, meet the highest industry standards and deliver energy saving comfort that lasts a lifetime. That's why, when it comes to home comfort, you can rely on the legendary quality of Coleman® heating and cooling.**

- Lifetime Limited Warranty\*
- 90-day Labor Limited Warranty\*
- 10-year Parts Limited Warranty\*
- Extended Labor Warranties\*\*
- Complete Assurance™ Limited Warranty Pledge\*

---

\*Lifetime Compressor and Heat Exchanger Limited Warranties, Complete Assurance™ Limited Warranty, 10-year Parts Limited Warranty and 90-day Labor Limited Warranty require online registration within 90 days of installation. Otherwise, warranties revert to the standard 10-year Compressor and 20-year Heat Exchanger Limited Warranties and 5-year Parts Limited Warranty.

\*\*Available with participating distributors only. Contact your distributor representative or territory manager for more information.

# Heritage

# Iconic History

---

**The Coleman Company, founded by W.C. Coleman in 1900, began by manufacturing lamps and lanterns. This started the story of Coleman® heating and cooling.**

- **1941:** heating equipment leads the way to company sales of \$19 million.
- **1958:** Coleman® heating and cooling is born, providing heating and air conditioning equipment to the manufactured housing market.
- **1990:** Beacon Capital Corporation negotiated the purchase of Coleman® heating and cooling. By 2005, Johnson Controls acquired Coleman® HVAC as part of YORK® International.
- **2015:** New product platform launched, enhancing system performance, increasing comfort and delivering peace of mind.
- **2017:** Coleman® Heating & Air Conditioning launches its most advanced home comfort system to-date. The new Echelon™ Series system features groundbreaking technology for precision and worry-free comfort.

**Connected**

# Advancing Comfort

---

**Coleman® HVAC products advance comfort and feature world-class build quality. Our residential systems are smarter, more connected, more efficient and more reliable than ever before. After all, comfort is part of our heritage.**

- Our latest Echelon™ Series products include system self-monitoring, which provide system alerts, reminders, and quick evaluation and diagnostics for contractor visits.
- Wi-Fi®-enabled Echelon™ Hx™ Touch-screen thermostat provides the ability to monitor and control system settings from anywhere in the world with internet access.
- Technology like *WhisperDrive™*, *EcoTrak™*, *Climate Connect™* and *Charge View™* help make your comfort quiet, custom and efficient.
- Residential units are quality tested through innovative HALT (Highly Accelerated Life Testing) facilities and extreme weather testing (+140°F down to -10°F) to ensure trouble-free operation.

# Outstanding Efficiency

# Legendary Reliability

---

Coleman® heating and cooling residential products are **consistently recognized for quality** of workmanship, outstanding value and efficiency. That's why our products carry some of the most prestigious endorsements in HVAC.

- **Consumers Digest Best Buy:**  
The Coleman® Echelon™ CP9C modulating furnace has been rated a Consumers Digest “Best Buy.”
- **ENERGY STAR®:** Many of our products are ENERGY STAR® qualified, and our premium systems feature an ENERGY STAR® Most Efficient rating – saving you money on heating and cooling bills.

# Authentic

---

**Rigorously tested, ruggedly reliable, designed and manufactured to the highest quality standards, Coleman® HVAC products deliver performance, efficiency and reliability. Every heating and cooling product we produce continues an enduring legacy of providing long-lasting comfort you can count on.**
